Tel: (250) 836-4931

GIFT EXCHANGE:

You do NOT have to be a registered carver or painter to participate in the Gift Exchange – spouses and friends are all welcome.

Those who wish to participate in the Gift Exchange following the Thursday Night Banquet will donate a small gift (preferably a small carving or painting, but an inexpensive carving or painting related item will suffice) and then put their name in a hat.

The gifts will be received by the organizers during Happy Hour prior to the Thursday Night Banquet or prior to the speeches, etc. after the dinner.

The gifts will be displayed on a table for previewing after dinner.

When your name is called you pick a gift from those remaining on the table.

By popular demand we hope to obtain the services of our own *Wayne and Shuster* comedy team from last year, also known as Cam and Doug, to be Masters of Ceremonies for the evening.

Plan to attend and participate in the Gift Exchange. It is a real fun evening and one of the many highlights of the week.

Important:

We are not applying any pressure but....Personal items like small carvings and paintings are highly sought after (always the first to go) and highly prized as mementos of that year's school.

So....Now that the pressure is off, please bring a personal item for the Gift Exchange. This way the Gift Exchange will become another expression of the camaraderie so prevalent at the School.
