

GIFT EXCHANGE

You do not have to be a registered carver or painter to participate in the Gift Exchange – spouses and friends are all welcome.

The gift exchange follows the Thursday Night Banquet and those who wish to participate are asked to donate a small gift, preferably a small carving or painting that they have done. But for those who are not carvers or painters, and those that did not get their gift item finished, an in-expensive carving or painting related item would do.

The gifts will be received by the organizers during Happy Hour prior to the Thursday Night Banquet. All the gifts will be displayed on a table for previewing after dinner.

Names of those participating are drawn from a hat and when your name is called you pick one if the gifts from all the gifts displayed on the table.

By popular demand we hope to obtain the services of our own *Wayne and Shuster* comedy team from last year, also known as Cam and Doug, to be Masters of Ceremonies for the evening.

Plan to attend and participate in the Gift Exchange. It is a real fun evening and one of the many highlights of the week.

Important:

We are not applying any pressure but....small carvings and paintings done by the students are highly sought after (always the first to go) and highly prized as mementos of that year's school.

So....now that the pressure is off, please take part in the Gift Exchange. This way the Gift Exchange will become another expression of the camaraderie so prevalent at the School.
